

# Lawn Vacuum

## KV600

- Ideal for residential or smaller commercial properties
- 5-blade impeller with serrated edges maximizes suction and debris reduction
- 27" wide gobbler door
- Nozzle configuration improves suction and debris flow and handles hedge clippings with ease
- Variable height adjustment for hard surface or turf work
- Zipperless, hard bottom mesh turf bag
- 40 gallon bag capacity
- 12" tires
- 6hp Briggs engine

**\$999.99**

**Setting the Standard for Innovation  
and Productivity for Over 45 Years.**

# Multi-Vacuum

## MV650H

- Ideal for larger properties, commercial lots, leaf clean-up, and more
- Picks up cans, bottles, grass clippings, litter, and other debris with ease
- 29" wide gobbler door is adjustable for hard surface or turf work
- 6-blade impeller for maximum suction and debris reduction
- Composite housing components are more abrasion resistant than steel
- 14" easy rolling wheels
- 40 gallon bag capacity
- 6.5hp Honda engine

**\$1,924.99**

**Setting the Standard for Innovation  
and Productivity for Over 45 Years.**

# Industrial Vacuum

## QV550H

- World's quietest vacuum
- Ideal for wide area commercial, industrial, and municipal cleanup applications
- 33" wide composite intake nozzle
- 6-blade armor plate steel fan
- Unique volute housing and fan combination for optimum suction power
- Rear turf tires and front casters for smooth fingertip maneuverability
- 36 gallon bag capacity
- 5.5hp Honda engine

**\$2,314.99**

**Setting the Standard for Innovation  
and Productivity for Over 45 Years.**
